Alison was beyond excellent in handling all my concerns and questions, and there were a lot leading up to the wedding. Not only did she take excellent care of me and my future husband, but of my family as well. Thank You!

Alison Sansom was my primary contact with L'Auberge during the planning and execution of this event. She was AMAZING. She was incredibly helpful, patient, responsive, organized – everything you need in a wedding planner. I really attribute most of the success of the day to Alison. THANK YOU SO MUCH!!!

The entire event far exceeded our expectations. Alison Samson is an absolutely invaluable planner. She paid for herself tenfold with her vendor negotiations. Her level of professionalism and over the top service made my daughter's wedding the most beautiful day we could ever imagine. Thank you from the bottom of our hearts. You all rock!

We hope to see you say, "I do."

Alison and her staff were absolutely wonderful during the planning of the wedding, and also, during the ceremony and reception. She immediately and cheerfully answered all questions, and instilled us with a sense of calm because of her personality and her organizational skills.

It was a fairy tale day for both the newlyweds and all that attended. It has been a true pleasure working with Alison. My first contact back in January was Kecia and my experience was so good that we booked the wedding. Dealing with Alison for the last seven months has been nothing but pleasurable and professional. Every employee that we dealt with was very friendly and helpful. I could go on and on! If you ever need a recommendation for a prospective bride, please pass along my information and it would be my pleasure to highly recommend L'Auberge.

I want to thank you for making Kimberly and Garret's day a memorable and lovely celebration. You were a delight to work with from the start of the planning process, months ago, to the finish; we appreciate all your hard work and professionalism. We had so many guests commenting on how thoughtful and professional you were in coordinating the day, and I wanted to make sure you knew how pleased we were with you and your staff. Some guests commented that it was like attending a "Story Book Wedding" ... beautiful and such fun. Thank you again!

My husband and I simply could not be happier about how our wedding went! What an incredible hotel with absolutely amazing staff to support it! We wish we could do it all over again. Alison and Kecia made planning our wedding stress-free and fun, and did so many things to make us feel special. There was not one thing we would change about our experience and so many of our guests said

We hope to see you say, "I do."

not only was it the best wedding they had ever been to, but that they want their kids' weddings to be there one day! Thank you from the bottom of our hearts – absolutely everything about our experience at L'Auberge was first class!

We would like to recommend Alison Sansom for outstanding service as our wedding coordinator/Romance Director. She was truly remarkable from our first meeting throughout the entire wedding weekend. She was efficient, knowledgeable, and responded promptly to each of our calls or emails. She was tremendous help to our daughter, Jennifer, who had just moved to Del Mar. She was so very nice to work with, as well. She gets my highest recommendation and I have had other weddings and many parties in my life. She is the BEST!

I just wanted to again thank you for the wonderful job you did in making last week's event Jo and Mike's "dream wedding." Everything was perfect, from the food to the room accommodations to your warmth and professionalism to the friendliness and attentiveness of the entire L'Auberge staff, including the wait staff and parking attendants. When one considers that so many things could have gone wrong, the fact that everything went off without a hitch speaks volumes about the efficiency and expertise of you and your colleagues. And the fact that we can honestly say that we would not have changed one thing if we had it to do all over again confirms that we made the right decision when we chose to have the wedding at L'Auberge and to work with you. We will always cherish our memory of the wedding which was made even more special by you and the rest of the staff. Thank you again.

Alison is phenomenal! She exceeded all of our expectations and made planning the wedding stress-free and enjoyable. We cannot say enough about how wonderful she has been during the planning process. The absolute best decision we made when planning our wedding was hiring Alison to be our coordinator.

My biggest compliment, and those of my guests (parents, bridesmaids, groom's parents and friends) were to Alison Sansom. She went above and beyond what we could have expected or hoped for. She was there every step of the way. Her professionalism, attention to details, kindness and efficiency were evident throughout the wedding ceremony and reception. She is why my wedding went as smoothly as it did. I would use her again in the future without hesitation.

The event was perfect, the day felt magical and the memories are wonderful. It was very beautiful and unbelievably fun. What a combination. Everyone felt this way...we heard it over and over again and was emailed the next day by so many expressing the same sentiment. The hotel was a fabulous venue, excellent service. Thank you so very much from all of us. Christine and Dylan loved their room and all the surprises you and Kecia supplied.

Thank you very much for everything. I wanted to let you know just how wonderful our wedding was. The staff took care of us and we always felt attended to. The food was excellent and everything went just as planned. We loved our time at L'Auberge and we look forward to coming back. I didn't get a chance to eat all of the appetizers we ordered with all of the excitement, so I'll definitely want to come back to eat those! I could not have asked for a more beautiful venue, and we absolutely had the time of our lives. Thank you for all your hard work and support to make that happen for us! We will most certainly be back!

Ryan & I cannot thank you enough for everything you did for us leading up to and during our wedding! Both of you played a huge role in truly making this the most special day of our lives. You were both incredibly organized, treated us with complete kindness, and anytime I turned around and needed anything big or small you were both right there to help (and often had already taken care of it!) with calling vendors, double sided tape, and of course safety pings when my skirt ripped. Everyone at L'Auberge treated us so well it was the best service we have ever received and at the same time so comfortable and unpretentious. We felt like we were just surrounded by more friends! You were also a huge calming effect on our parents and from the moment they arrived you made them feel so special. Thank you just doesn't feel like enough but THANK YOU so much!

We hope to see you say, "I do."

We are back from Fiji!! Now that everything has settled, I just wanted to thank you for all the work you've done on our wedding!! We are still getting compliments about the venue, the food and the incredible service. The vendors were also amazing - Tim, Patricia, Cake, the limo, the baby sitters....and especially the venue! Thank you for providing the Platinum Ballroom at the last minute!! Wonderful surprise, it looked amazing!! The table setup, the bar, the dance floor, the cake & favors setup. You have been so helpful on providing us a timeline (MUCH needed), the vendor recommendations, making sure we're fed in the limo and keeping everything & everyone in line. Thank you again for all your hard work! The wedding was exactly what we imagined, plus more!! We are planning to celebrate our 1 year anniversary at the L'Auberge, will get in touch with you again in the future to help plan! Thank you again!
